1. Trofimov (Ino), the former chief of the Administration for Soviet Property in Germany (USIG), Berlin-Weissensee, is again in Berlin, but his function is not as yet completely clear. 1/ He addressed a meeting of the heads of the various SAG Transmach factories in Leipzig on 12 and 13 June 1953, held on the premises of SAG Transmach Headquarters. Trofimov appears to be responsible for policy matters in the financial field affecting the SAG plants in Germany, but his exact relationship to Bebenin, the present chief of USIG, is not clear.
